CONSULTANT OPPORTUNITY

Date: November 2021
Job Title: Education Consultant
Program: MHANYS’ School Mental Health Resource and Training Center
Position: Consultant, up to 28 hrs/week

Summary of the Position
This position is responsible for providing technical assistance to schools through MHANYS’ School Mental Health Resource and Training Center and facilitate professional development opportunities across New York State; in-person or virtually depending on location and need. The Education Consultant reports to the Director of the Resource Center. Technical assistance may relate to compliance with the mental health education in schools’ law, effective July 1, 2018, the identification of resources, suggestions for lesson plans, professional development and/or referrals and connections with community-based partners. Additional responsibilities may be assigned by the Project Director to build school-community partnerships, meet project deliverables, and support the sustainability of the Resource Center.

Essential Duties & Responsibilities
- Deliver services provided by the School Mental Health Resource and Training Center.
- Provide project management and technical support, including content development for Resource/Training Center website, blogs, curating content, general information and proofreading.
- Assist with online communication via website, social media, and webinars.
- Provide with data collection for project reporting and sustainability.
- Review lesson plans and resources for our nine core principles.
- Respond to the unique needs of schools, primarily in the candidate’s local region of the state.
- Collaborate with other members of the Resource Center team, including work of affiliate members.
- Engage in on-going review of Resource Center services to ensure compliance with best practices.
- Functions as a MHANYS Trainer, as assigned.

Knowledge, Skills & Abilities
- Ability to:
  a. Work independently and as a member of a team;
  b. Respond to requests in a timely manner
  c. Outreach to schools and potential project partners;
  d. Gather data; and
  e. Coordinate events and trainings.
- Strong computer skills, organizational skills, and communication skills (written and verbal) and ability to work effectively with a wide range of constituencies in diverse communities.
- Ability to promote principles of mental health and wellness, recovery and cultural competency.
- Possess professional demeanor, interpersonal skills and commitment to high quality of service.
- Understanding of educational skills sets, including knowledge of instructional techniques that can provide support to educators as they implement the mental health education law.

Education and/or Experience
Experience working in K-12 school setting is required; familiarity with bullying prevention is preferred. Minimum Education: BA/BS in education or social services; MA/MS preferred. MHANYS is committed to workforce diversity. EEO.

Location: Ability to travel to Albany or statewide location with advanced notice.
