**Please call Governor Hochul's office on
Monday, November 17, 2025**

Request a 2.7% Targeted Inflationary Increase for mental health and substance use disorder services and supports is included in her proposed SFY 2027 Executive Budget.

Your Voice Will Make a Difference!

Please have your staff also call!

Governor Hochul
(518) 474-8390

*(If you do not get through,
cut and paste the message below,
select Topic: Other and Subject:
2.7% TII for MH & SUD [here](#))*

Message

Please support a 2.7% targeted inflationary increase in rates and contracts for mental health and substance use disorder staff and operations in the Executive Budget. We urge you to prioritize and maintain access to substance use disorder treatment and mental health services and supports. Adults, children and families continue to have ever-increasing demands for our services, and without additional funding they will not get the services and support they desperately need. Thank you!
