This agreement affirms the responsibility of designated peer supporters to maintain confidentiality, communicate limits clearly, and uphold the integrity of the program.

Peer Supporter Confidentiality Commitment

As a designated Peer Supporter, I acknowledge that confidentiality is central to the integrity of this program. I agree to:

- Maintain confidentiality of peer support conversations
- Clearly communicate confidentiality limits at the beginning of engagement
- Do not document conversations in personnel files
- Seek guidance from the Wellness Lead if uncertain about confidentiality limits
- Only disclose information when required due to risk of harm, legal obligation, or court order

I understand that breach of confidentiality may result in removal from the Peer Support Program and may have additional consequences consistent with agency policy.
